WRITING

- ✓ The new North Carolina Writing Assessment System will be piloted at grades 4 and 7 during the 2008–2009 school year. All North Carolina students enrolled in grades 4 and 7 must participate in the new writing assessment system. The new writing assessment system encourages instruction to focus on the writing process, not just the preparation for a traditional single-day assessment. It is based upon writing across the curriculum in each content area and involves all educators, not just English/language arts educators.
